MENTOR FESTIVAL ASSOCIATION
&
Mentor Headlands Community Center

Dear Parade Participants:

It is with great pleasure that we invite your group, organization or business to participate in the *Mentor Day Festival* 65th Annual July 4th Parade. Your group's participation will enhance the continued success of our neighborhood's tradition. We hope you will be able to join us.

The date of the parade is Tuesday, July 4, 2017, at 12:00 PM. The theme of this year's parade is *The Eagle Has Landed*. We will have several categories that will be judged. Check all categories on the next page that would apply to your unit. Please return the enclosed form as soon as possible so we may complete our planning for the parade line-up.

Parade participants will be served refreshments following the parade at the Mentor Headlands Community Center, 9096 Lake Overlook Drive. During that time the judges will tally their votes, the winners will be announced and the trophies will be awarded. Winners' names may be submitted to our local paper for publicity.

Please note: No water guns or throwing of water allowed during the parade.

Cady throwing is acceptable, but not mandatory.

If a light rain should occur the parade would continue to go on. Cancellation would take place with lightning, thunder, or a heavy rain. There would be no reschedule date.

We hope to see you there!!!

Thank You.
